### Case Report 23-1250

Officers were dispatched to a disturbance at a bar on North Main Street just after 9 pm on March 6. Through their investigation, they learned that the suspects were harassing and threatening patrons as they were leaving the establishment. A bystander asked the suspect to leave, and he was then threatened with knives. Just as police arrived, the bystander was able to take a knife from the suspect. After the suspects were arrested, one became combative and hit his head in the patrol vehicle and holding cell. The male suspects were later booked into the Adams County Jail on multiple charges, including felony menacing and 2nd degree assault.

### Case Report 23-1283 and 23-1284

On March 8 at about 8:35 p.m. officers were on routine patrol in the area of Bromley Lane and US Highway 85 when they saw a vehicle that was previously known by officers to be driven by a habitual traffic offender. The vehicle also had an unreadable temporary license plate and a nonfunctional brake light. When officers attempted a traffic stop, the driver did not stop and began driving recklessly. Around 9:07 p.m., officers were informed that Weld County Deputies had located the same vehicle in the 12000 block of County Road 2. The vehicle was confirmed to have been stolen out of Commerce City. Officers learned that a male and female had exited the vehicle and were in a nearby motel room. A Weld County K9 Unit arrived to assist and conducted an open air sniff of the vehicle, which resulted in a positive alert for the presence of drugs. Officers ordered the male and female to exit the motel room and they cooperated. When speaking with officers, the female stated that there were fentanyl pills in the motel room, however, officers were not able to obtain a search warrant. The vehicle was towed and placed on hold for further processing. Both parties were transported to Adams County Jail on multiple charges including motor vehicle theft, reckless driving, fictitious license plate and vehicular eluding.

### Case Report 23-1286

On March 8 at approximately 11:30 pm, Officers were dispatched to a gas station near Interstate 76 and Bromley Lane for a disturbance. Officers learned that the involved parties were involved in a road rage and when they pulled into the gas station, the suspect not only threatened the victims with a wooden stick but also struck one of the victims with his vehicle. As one of the victims was walking back to his vehicle, the suspect drove his car towards the victim, striking the victim and causing the victim to fall onto the suspect vehicle's hood. The suspect was found to be intoxicated. He was arrested for DUI, Menacing, 1st Degree Assault, Reckless Driving, and Reckless Endangerment. He was later booked into the Adams County Jail.

### Case Report 23-1311

On March 8 at around 10 p.m. officers contacted two females in a hotel parking lot on Brighton Road. The females were known to the officer as being involved in auto thefts and the use of illicit narcotics. Through the officer's investigation he found one of the females to be in possession of 45 blue fentanyl M30 pills. One of the females was booked into the Adams County Jail for possession of illegal narcotics.

### Case Report 23-1358

On March 12 at about 1 a.m., officers stopped a vehicle for exhibition of speed and reckless driving in the 400 Block of North Main Street. The 21-year-old driver was found to be under the influence of alcohol and in possession of a loaded handgun. While officers were on the traffic stop dispatch advised a resident near the traffic stop had heard gunshots moments earlier. It is believed that the driver was shooting the weapon prior to police contacting him. He was arrested for DUI, traffic offenses, reckless endangerment, and prohibited use of weapons while under the influence of alcohol. He was later booked into the Adams County Jail.

**THIS WEEK'S CRIME PREVENTION TIP**

Over the last couple of weeks Brighton Police Department has taken multiple reports of people scamming the elderly by telling them they have won a fake prize or sweepstake. Please help us spread the word to our senior community. We want to remind you of these three signs of a prize scam from the Federal Trade Commission:

1. You have to pay to get your prize. But real prizes are free. So if someone tells you to pay a fee for "taxes," "shipping and handling charges," or "processing fees" to get your prize, you're dealing with a scammer. And if they ask you to pay by wiring money, sending cash, or paying with gift cards or cryptocurrency to get your prize, don't do it.
2. They say paying increases your odds of winning. But real sweepstakes are free and winning is by chance. It's illegal for someone to ask you to pay to increase your odds of winning. Only a scammer will do that.
3. You have to give your financial information. There's absolutely no reason to ever give your bank account or credit card number to claim any prize or sweepstakes. If they ask for this information, don't give it. It's a scam.
